PRODUCT

|           |                               |
|-----------|-------------------------------|
| Name      | COCO SURFACE UL SPOT 3500K NT |
| Reference | U5360213NT                    |
| Color     | Textured black                |
| RAL       | 9005                          |
| Category  | SURFACE                       |

MOUNTING ACCESSORY / DRIVER

|                             |                                        |
|-----------------------------|----------------------------------------|
| Mounting Accessory / Driver | Mandatory, not included. See next page |
| Model                       | REMOTE BOX 4-23W 500mA                 |
| Reference                   | U1000035                               |

LIGHT SOURCE

|                       |                |
|-----------------------|----------------|
| Type                  | LED            |
| Gross luminous flux   | 1310 Lm        |
| Color temperature     | 3500 K         |
| Chromatic stability   | MacAdam Step 2 |
| Color Rendering Index | CRI>90         |
| Power                 | 8.7 W          |
| Current               | 500 mA         |
| Efficacy              | 150 Lm/W       |
| LED lifespan          | L80B10>66.000h |

LIGHTING FIXTURE | PHOTOMETRIC DATA

|                         |         |
|-------------------------|---------|
| Lighting efficiency     | 87%     |
| Delivered luminous flux | 1140 Lm |
| Light beam angle        | 20°     |

LIGHTING FIXTURE | ELECTRICAL DATA

|                            |           |
|----------------------------|-----------|
| Power values of the system | 11.3 W    |
| Voltage                    | 120-277 V |
| Frequency                  | 50/60 Hz  |
| Dimming                    | 0-10V     |

OTHER DATA

|                        |      |
|------------------------|------|
| IC Rated               | Yes  |
| Environmental location | DAMP |

A lightweight and powerful solution. Coco is a spotlight with a qualitative and uniform light distribution and provides great freedom of light emissions with four opening angles -flood, medium, spot and superspot - a 360° rotation and a 90° tilt. With an exceptional lm/W ratio, it can be fitted with various accessories: anti-glare honeycomb and anti-glare screen, which reduce glare to facilitate visual comfort, and the linear filter, which sets a linear light distribution. Coco invites one to interact with the light through a version with integrated dimmer, enabling one to adjust the desired intensity in each luminaire. Its tunable white version replicates the effects of natural light by regulating the intensity and colour temperature.

OTHER DATA

|                      |                                                             |
|----------------------|-------------------------------------------------------------|
| Swivel angle         | 90°                                                         |
| Rotation angle       | 350°                                                        |
| Weight               | 0.392 lb   178 gr                                           |
| Packaged weight      | 0.595 lb   270 gr                                           |
| Packaging dimensions | 7.64 x 7.17 x 2.76 in   194 x 182 x 70 mm                   |
| Materials            | Aluminium / Acrylonitrile Butadiene Styrene / Polycarbonate |

Anti-glare Honeycomb Louver

Accessory featuring a honeycomb structure designed to control the light beam, reduce glare, and prevent direct exposure to the light source.

|                      |                      |

| Model                | Anti-glare Screen    |
| Reference            | U498-90-01   WT   NT |
| Category             | Accessories          |
| NOT SOLD SEPARATELY. |                      |

**Anti-glare Screen**

Accessory designed to reduce direct glare, especially in luminaires with visible optics, and improve visual comfort by blocking uncomfortable emission angles.

| PRODUCT   |                      |
|-----------|----------------------|
| Model     | Linear Filter        |
| Reference | U498-90-02   WT   NT |
| Category  | Accessories          |

NOT SOLD SEPARATELY | SUITABLE FOR BEAM ≤ 34°

Linear Filter

Transforms the circular light beam into a linear shape. Ideal for applications requiring precise, linear light distribution, allowing you to focus on specific surfaces or avoid the effect of “light pooling” in wide areas.
